Wife of Gang Victim Former R.C. Resident

Avery, Who Was Set
Free, Married
Doris Pugh

While a strong force of federal Mexican troops Tuesday pursued the bandits who kidnapped two California mining engineers, one of the men, freed Tuesday, remained in Mexico City, where it was understood he had orders to raise \$300,000 ransom money to free his companion, Samuel C. Faneuf of San Francisco.

The man set free is Paul W. Avery, who, it was disclosed, is married to a woman who lived in Redwood City for some eight years and became well known here. She is the former Doris Pugh, who lived with her parents and sister, Harriet, on what is known as the "Pugh Place" on Edgewood road in the early 1900's.

FATHER DIED HERE
Mrs. Avery's father died here about 1908, according to Mrs. A. S. Kalenborn, Sequoia high school teacher who knew the family well. The mother now lives in San Francisco with the other daughter, who is now Mrs. Richard W. Barrett, wife of the San Francisco attorney who is a member of the Stanford Board of Athletic Control.

The two Pugh girls attended Stanford while living here, and Avery and Barrett, also Stanford students, often visited the sisters here, becoming well acquainted in Redwood City.

When Doris Pugh was married to Avery, she was a teacher in Burlingame. Previous to that time she had taught in a school near La Honda.

The bandits who kidnapped Avery and Faneuf have been ordered "ex-

MISSIONARIES HELD CAPTIVE IN ETHIOPIA

Seven Church Workers
Fall Into Hands
Of Chieftain

LONDON, Feb. 11 (AP) — Seven Americans, including two women and four children, and a Canadian, engaged in missionary work in the interior of Ethiopia, are held prisoners by a chieftain in Gamo province, the News Chronicle Addis Ababa correspondent reported today.

They are the Rev. and Mrs. Harold Street, their four children and Miss Ruth Bray, Americans, and John Trewin, a Canadian serving as a British missionary, the dispatch said. All are attached to the Sudan interior mission.

All eight were stationed in Gamo province, part of the Wolamo country, far south of Addis Ababa toward the British Kenya colony.

There has been no explanation of the arrests, the correspondent said, but it was hinted the victims were held for ransom and payment of money would bring their release.

Substitute Job Open At Local Postoffice

Civil service examinations for the position of substitute clerk-carrier for the Redwood City postoffice will be held in the near future, it was announced today by Postmaster R. E. O'Connell. Information in regard to the requirements and the character of the examination, and application blanks, may be secured at the local postoffice from Miss May Cook, secretary.

terminated" by the federal troops, the United Press reported from Mexico City.

SEIZED AT MINE
The engineers had been seized at the Mazata mine near Etzatlán in an isolated part of Jalisco state.

Avery arrived back at Guadalajara Tuesday, sent by the bandits to negotiate for Faneuf's return. He said he had pledged his oath not to reveal details of the kidnapping. He looked well but tired, it was reported. It was understood he had orders to raise the ransom money promptly or otherwise Faneuf would be killed.

Capt. Sanchez-Lara, commanding federal troops at Etzatlán, was in command of the troops pursuing the bandits. An official war communique said the pursuit would be continued until the band was wiped out.

Mayonnaise Now Used in Making Crust for Pies

News to housewives is the announcement of mayonnaise for baking purposes. The new Ide's Mayonnaise has been perfected to such a degree of smoothness that it is ideal for use in place of shortening, butter, eggs and milk in making cakes, pie crusts, biscuits and waffles. So uniformly excellent have been results of housewives everywhere that the Ide Packing Company is now "insuring" every jar, with a guarantee which offers to replace every ingredient used by the housewife in her baking, should results prove not satisfactory. Pie crusts are especially tender and flaky when made with mayonnaise. Here is a recipe:

TENDER PIE CRUST MADE WITH MAYONNAISE
1/2 cup Ide's Mayonnaise
2 cups flour
1/2 teaspoon salt
Cold water

Sift the flour and salt together and add to the mayonnaise, a little at a time, mixing or cutting it in with a knife or spoon. Add just enough cold water to make the pastry stick together. Turn on lightly floured board and roll into sheet one-quarter inch in thickness. Line pie plate with pastry and bake as you would pie crust.

George Couper Succumbs Here At Age of 79

George R. Couper, husband of Mrs. Edna Couper and father of Mrs. Ellen E. Taylor, wife of Dr. Wesley H. Taylor, passed away here Monday at the age of 79.

Mr. Couper, who had lived here since his retirement three and a half years ago, was formerly engaged in the fruit growing, buying and shipping business.

Born December 25, 1856, in Blue Earth, Minn., he came to California in 1897, settling in Lodi. There he met and married Edna Leora Channell in 1901. In 1920 the couple moved to Fresno where Mr. Couper continued his activity in the fruit industry, retiring in 1932 and moving to Redwood City.

Mr. Couper attended the local Episcopal church. In his younger days he had been an active member of that organization.

Other surviving relatives include a son, Orvis J. Couper of Fresno; a brother, H. J. Couper of Lodi; and two sisters, Ella and Hannah Couper, also of Lodi.

There are approximately 103,000,000 Germans in the world, but only about 63,000,000 live in Germany.

'Bargain Days' Offer Chance At Big Savings

(EDITORIAL)
That you can "buy at home" advantageously to yourself is being demonstrated fully by Redwood City's progressive merchants as they offer exceptional goods at the right prices in the always awaited semi-annual Bargain Days which will take place Friday and Saturday.

Business is good in Redwood City as is demonstrated by the demands upon the district for more space for larger and more modern stores. The more progressive of Redwood City merchants, and that includes the leaders in the trade field, are determined to hold this business for this area, and to go after sales that now are finding their way into distant tills.

Visit your Redwood City stores in this big, two-day week-end event and pick up some of the bargains which the merchants are offering!

\$5000 Fee Suit Scott-Marshall Row Aftermath

Herron, S.F. Attorney,
Names County Aides
As Defendants

Aftermath of last year's county engineering controversy which saw Carl R. Scott replaced by Urban S. Marshall, a suit for \$5000 counsel fees was brought in San Francisco Superior Court Monday against Marshall, County Manager Walter Kellogg, Attorneys Joseph J. Bullock and Vincent W. Hallinan, and the three members of the board of supervisors who voted to oust Scott—Chairman Manuel Francis, Walter High and Albert Witt Jr.

Plaintiff in the suit is Bernice Allen, to whom the fees of Attorney William F. Herron have been assigned. Herron is employed by Hallinan in his San Francisco office.

At the time of the bitter legal battles in the local and San Jose superior courts, Hallinan was associated in a local partnership with Bullock, but this was dissolving about a month ago. Herron was not included in the local partnership, but became associated with Bullock and Hallinan in the Marshall case, appearing with Bullock at one hearing in San Jose.

PRINCIPALS SURPRISED
Bullock expressed surprise at being named in the suit, saying work done by the Hallinan side of the firm was to have been without compensation. He said he would fight the case, and would demand a change of venue from San Francisco into the San Mateo county court.

Hallinan also appeared to be surprised. He declared he had never received anything for his work on behalf of Marshall; consequently didn't see how he could be expected to pay Herron. He said he would fight the suit.

Herron is still associated with Hallinan, however, it is understood. Marshall, Kellogg and the supervisors were brought into the action, it is believed, because they were named in a suit brought by Scott to keep control of the engineering office which he regained in a spectacular "coup" after being ejected by Kellogg, Marshall, and their attorneys.

Attorney for Miss Allen, said to be a secretary in the San Francisco offices of Hallinan and Herron, is Herron himself.

CLOSING LAW VIOLATION
(Special to The Tribune)
DALY CITY, Feb. 10.—Mrs. Merle Regrato was to appear before Justice Wade H. Clay this afternoon to answer charges of keeping her beer parlor open after 2 a. m. She was arrested early yesterday by two state officers. She has been at liberty on \$50 bail.

Quality Market Open To Public This Morning

Announcement of the opening of the Quality Market this morning at 8 o'clock was made today by the new proprietors of the meat and vegetable departments of the store.

The new meat department is under the ownership of Floyd Smith and Mel Andrews; both are experienced meat cutters and have operated markets in the northern part of the state for several years. Their policy will be quality meats at the lowest possible prices.

The fruit and vegetable department will be owned and operated by Eugene McFarren, experienced wholesale and retail vegetable man. Fine quality and freshness at lowest market prices will be stressed in this division of the store.

The store front is completely glassed in so that patrons may view the entire market from the sidewalk, this being the modern style of architecture for markets.

The Delicatessen will continue to operate under the ownership of J. P. Neifing at the same location. All of the men will reside in Redwood City with their families.

White Oaks Area Building Program Gets Underway

Ground was broken in the White Oaks tract adjoining Redwood City Sunday for the start of a building program which has as its objective the construction of 100 homes, it was reported today.

Expenditures well up into six figures have already been made for the handling of this project. It is reported by the White Oaks Building Co., a subsidiary of the Consolidated Development Co., owners of the tract. The firm has already ordered 1,000,000 feet of lumber from the Apex Lumber Company of Glendale, Ore, much of which lumber has already arrived and is continuing to arrive at the rate of a carload a day, it is reported.

In addition, the White Oaks Lumber Company has obtained control of a large planing mill opposite San Carlos railroad station and has the mill in operation. The mill covers approximately half an acre of floor space on five acres of land, and is equipped to turn out all the mill work necessary to the building of houses. The estimated value of the machinery in the mill approaches six figures.

INGELS PLANS PATROL STUDY HERE FRIDAY

Motor Vehicle Head
Will Discuss Need
For More Men

Hope for an early solution of the Bayshore policing problem came Monday when E. Raymond Cato, chief of the California Highway Patrol, and Ray Ingels, director of the Department of Motor Vehicles, informed the board of supervisors that they would come here Friday night to discuss the traffic toll.

The date was accepted by the board and the meeting set for County Executive Walter Kellogg's office for 8 o'clock.

"We hope at that time to be able to iron out some of the differences which seem to be confronting San Mateo county," Ingels wrote.

The state has been asked to supply additional traffic officers, or to return control of the squad to the county.

Applicants who filed for traffic appointments today were Bryant S. Cronk, 625 Walnut street, and Leigh B. Lint, 808 Roosevelt avenue, both of Redwood City; Theodore Clemens, Woodside Glens, and Joseph D. Corby, San Mateo.

England has 2,133,000 telephones in use, with annual calls totaling 1,430,000,000. Both telephones and radios are controlled by the postal department in that country.

WEBB FINDS AUTHORITY HELD BY MUNICIPALITY TO DEVELOP OWN PORT

County Board Not to Have Any Say
In Control of City Project
If Port Facility Built

Redwood City cleared a high legal hurdle in its harbor efforts Wednesday when Attorney General Webb ruled that the municipality has full authority under its charter to proceed with port development, the Associated Press reported from San Francisco.

In a 10-page opinion, Webb and Lucas E. Kilkenny, deputy attorney general, found:

1. That Redwood City has full powers under its charter to proceed with development of harbor facilities in Redwood Creek;

2. That it has the right to spend municipal funds in the development;

3. That the San Mateo County Harbor Commission will have no jurisdiction over the port facilities which Redwood City creates.

The opinion is being forwarded to District Attorney Gilbert Fennell by Webb's office, and on its arrival will be handed to City Attorney Albert Mansfield, who was consulted on the legal points involved. Mansfield wrote the harbor district bill under which the county unit was formed.

WAR BUREAU REQUEST
Maj. Gen. E. H. Markham, chief of engineers, War Department, Washington, D. C., raised the legal questions after the project had been submitted to him by Lieut. Col. J. A. Dorst, district engineer, San Francisco, and Capt. Henry S. Pond, senior engineer, both of the War Department, San Francisco.

County harbor commissioners are not opposing but are assisting Redwood City in its efforts to create the municipal seaport.

The county commissioners, Chairman Percy Shaw, South San Francisco; Secretary S. A. Keyton, San Mateo; and Henry Keegan, Redwood City, relinquished all interests in federal and PWA moneys and in operation of the harbor on December 4 in a letter sent to County Clerk Elmore B. Hinman.

The legal right of the district to make that surrender and the fact that Redwood City is a part

McGRATH ASKS THIRD TERM IN CONGRESS

San Mateo Democrat
To Continue Help
Given President

John J. McGrath, San Mateo county Democrat, who is now completing his second term in congress, announced Monday from Washington, D. C., that he would seek re-election as representative of the Eighth Congressional District.

McGrath was first elected in 1932 and was returned to office in 1934 without necessity of a runoff election. He has been particularly interested in navy affairs of his district and recently introduced a bill to bring two new dirigibles to Sunnyvale. He also is interested in the Redwood City and San Jose harbor projects.

In his appeal for support, McGrath addressed the following communication to Eighth District voters:

"I am a candidate for renomination and re-election as your member of the house of representatives from the Eighth Congressional District.

"I have been highly honored by the citizens of the district and I deeply desire this opportunity of continuing my services in Washington.

"As in the past, I will give myself without reserve to the interests of the district. My loyalty to the president can never be questioned, and my devotion to the people of the district is absolute."

Improvement of Redwood Creek in the way of straightening and deepening of the same, and the acquisition of mooring places, wharves, warehouses and railway tracks."

WEBB'S CONCLUSIONS
"I therefore answer your questions as follows:

"(1) The provisions of the Redwood City charter seem to me to be sufficient to authorize Redwood City to spend its own money to improve its own harbor;

"(2) If the harbor improvements are made by the city upon its own land, such improvements would be under the jurisdiction of the city authorities and not under the jurisdiction of the county board of harbor commissioners."

With the legal status now cleared, the fate of the harbor rests with success of the appeals for \$66,000 of PWA funds and \$94,000 of dredging funds from the federal government, and, finally, with the passage by Redwood City voters of a \$200,000 bond issue.

\$160,000 U. S. AID
Since that time, the project has been limited to Redwood City, and a bond issue of \$200,000 has been proposed by the council. To this will be added \$160,000 in federal grants toward the project.

Excerpts from the opinion, particularly touching upon the question of county jurisdiction, follow: "A survey of the powers of the San Mateo County Harbor District shows that said district has the power to acquire land and to develop and maintain thereon harbors and harbor facilities."

"It would seem clear that such port district would be limited in the manner of making harbor improvements to the same extent as a municipal corporation—that is to say, it could exercise only the powers conferred by the act under which it was organized and it could not in any event prevent the erection of a wharf or other port facilities by other persons who have a right to make such construction upon their own property and carry on such operations."

"Neither could it exercise any power in the control or operation of harbor facilities which it has not constructed and does not own."

"I conclude, therefore, that although Redwood City is located within the boundaries of the San Mateo County Harbor District, said city, being a municipal corporation, bears the same relation to the county harbor district with respect to construction and operation of port facilities as any other person or corporation, and that if the city, prior to the organization of the county harbor district, was authorized to make harbor improvements and incur bonded indebtedness therefor, it is still authorized to do so and the harbor commissioners of the county harbor district have no authority to interfere with or take any part in the control or operation of such harbor improvements owned by the city unless it should acquire the same from the city."

CITY'S RIGHTS TOLD
Webb, in an "unofficial" opinion, deals with the right of the city to spend its own money for the port facilities, and after citing powers specifically set up in the charter, says:

"The language of these different sections (of the charter of Redwood City) expressly authorizes the city to improve the streams or creeks or waterfront within said city or without said city, and necessary or convenient for the use of the inhabitants thereof; to widen, straighten and deepen the channels thereof and to remove obstructions therefrom, and to acquire and improve public mooring places, wharves, warehouses, steam or electric railways, or spur track. These provisions also authorize the city to purchase, hold and control real and personal property for the common benefit of the municipality, both within and without the corporate limits of the city."

"This power seems to be broad enough to include the acquiring of property for harbor purposes, the

MENLO PARK NEWS

Mr. F. R. Stunheim of Reno was a guest of his brother, a Stanford student and resident of Menlo Park, during the past week.

Mrs. C. A. Devol, Mrs. Irene Boone, Mrs. Leon French and Miss Emma Noel attended a card party given last week by Cathay Unit, No. 384, American Legion Auxiliary, in San Francisco. Cathay post and unit are the only Chinese legion organizations in the United States. The Oriental theme is carried out in refreshments and decorations at their annual card parties.

Mr. E. P. Clough of Los Gatos, former police judge of Menlo Park, was a visitor here last week, looking after business interests.

Frederick C. Frey Jr., artist and decorator of the Allied Arts Guild, was called on by the California Camera Club of San Francisco to judge the February exhibition of members' prints in their club-rooms at 45 Polk street.

Returning to Menlo Park from Berkeley, where they have made their home for several months, Mr. and Mrs. J. Harvey have rented a house on Hobart avenue and will be at home there after February 20.

The Duke estate on Berkeley way has been leased to Mr. and

Mrs. R. E. Thompson, who will take possession tomorrow.

Menlo Park Parlor, Native Daughters of the Golden West, held their annual Valentine party Monday night after their regular meeting. Members wore children's costumes and games and refreshments topped off the evening.

The second of the series of card parties given by Menlo Park American Legion Post and Auxiliary was held in Central School auditorium Wednesday night.

The rain fall for the recent storm was 1.28 inches, making a total of 9.12 inches for the season. The total rainfall at this time last year was 10.05 inches. The rain this season is above normal.

The recent cold snap has caused robins and wild pigeons to come from the north. Large flocks of these birds are here, feeding on red berries that are abundant on the peninsula. The birds cannot be hunted as they are protected by the federal government.

Miss Olivia de Havilland, the pretty Hollywood actress, was a guest of Mrs. Mendenhall at the Allied Arts building this week. She was accompanied by her sister, also an actress. The de Havillands formerly lived at Los Gatos.

Yesterday the San Francisco creek for the first time this season was flowing at a depth of several feet. The Stanford dam and Felt

Lake catch the water before it reaches here and only a very heavy storm causes the stream to flow to the bay.

H. B. Morey, one of the best-known and most beloved business men in the community, is very low at the Palo Alto Hospital. Mr. Morey underwent an operation for appendicitis last week. Complications arose that rendered him a very sick man. His relatives are much alarmed for little hope is entertained for his recovery. Mr. Morey spent the greater portion of his life in Menlo Park, coming here as a small boy. He is an uncle of Postmaster Harry Morey.

Coastsider Is Found Dead of Heart Ill

SHARP PARK, Feb. 10.—Bernard Kielmeier, Standard Oil Company employe, was found dead in his bed here yesterday morning. An autopsy showed he had succumbed to heart disease. Coroner William Crosby reported. Funeral services will be under the Crockett Lodge No. 139, P. & A. M. tomorrow at 3:30 p. m. from the Lasswell & Co. parlors, 6154 Mission street, Daly City.

\$100 Fine Is Levied On Drunken Driver

Arrested January 26 for driving between 55 and 60 miles an hour on the Bayshore highway while intoxicated, Julian B. Murray, 38, of Palo Alto, had pleaded guilty before Justice Edward I. McLaughlin Monday and was fined \$100. He was cited by Patrolman C. J. Lee.

In court also was Fred B. Mills, 25, of Sallinas, accused of reckless driving. Charges against him were dismissed when Patrolman E. O. Truelsen, who made the arrest January 27, failed to appear to prosecute the case.

Charges against Gaylord E. Lyon of San Francisco, arrested for driving while intoxicated after an accident on the Bayshore, were continued until next Friday. Other motorists in court were John W. Puett, 36, of San Jose, fined \$5 for speeding; Robert Moore, 19, Redwood City, whose driver's license was suspended 15 days for speeding, and Mrs. J. Roberts and E. R. Farrar, who were fined \$1 each for illegal parking in Redwood City.

Final Rites Held For Apartment Owner

(Special to The Tribune)
BURLINGAME, Feb. 10.—Funeral services were held this morning at the parlors of William Crosby & Co. for Mrs. Marie Becker, 64, local apartment house owner who passed away in East Rutherford, N. J., while she was visiting a sister. Mrs. Becker is survived by a son, Harry, and a daughter, Mrs. Julia Spahr; one other sister, Mrs. Charles Leis, and a brother, Chris Goebel, all of Burlingame.

Laundry Plant Wins Approval From Planners

Jefferson Avenue Site Will Be Rezoned For Industry

Approval was recommended to the city council by the city planning commission Monday of the request of Max Bartell, owner of Jefferson avenue property opposite the new postoffice, for rezoning from business to the light industrial classification in order to permit establishment of a French steam laundry.

Bartell is disposing of the property to the new owner, who will begin shortly the construction of a \$20,000 modern building and plant. Owner of the laundry is not yet disclosed.

Protests to the rezoning were voiced by Mrs. Jane Robertson, Alice Crowe and Anna Porter, owners of nearby property, but the complaints of the General Properties Inc., and of Hare, Brewer & Clark, which were filed, were withdrawn.

The planners, upon motion of Clarence Dossie and motion of City Attorney Albert Mansfield, ex-officio member of the commission, voted unanimously to recommend to the city council that the rezoning be made. Planner Daniel Stafford was absent.

The use of the property was limited specifically to the laundry so that any future "light industry" which might be located in the same building would require new consideration by the planners.

Rezoning of the lot was made necessary because no light industrial zone exists and only one other such classification has been made, i. e., the Sequoia Laundry on Perry street.

Indian Shellmounds To Be Lecture Topic

Quarterly meeting of the San Mateo County Historical Association will be held Wednesday, February 19, at 7:30 o'clock, at the San Mateo Public Library.

Edward W. Gifford, curator of the Anthropological Museum, University of California, will give an illustrated lecture on "Indian Shellmounds of California."

C. N. Kirkbride is president, and Elinor Falvey, secretary, of the association.

Mrs. Dalve, 77, Pioneer, Dies At S. M. Home

Mrs. Susanne Marie Dalve, widow of Cornelius S. Dalve, who built the Dalve Hotel which is now the Woodside Inn at Woodside, died Tuesday afternoon at her home, 521 South Fremont street, San Mateo, at the age of 77.

Mrs. Dalve, who came to this county 53 years ago as Miss Susanne M. Scharenberg merely for a visit with a sister, met and married Mr. Dalve and lived in Redwood City a number of years before moving to Woodside.

Left to mourn the passing of the well-known pioneer woman are the following children: Sidney Dalve and Mrs. Fred McArthur, Redwood City; Mrs. Hulda Warren, Mrs. Sophie Phelan and Henry C. Dalve, San Mateo, and Mrs. Olga Beattie, Sacramento. In addition, the following grandchildren survive: Norman and Evelyn McArthur, Betty Dalve, James Phelan Jr., and Neal, Barbara and Patricia Beattie.

With the Rev. George Brown of the Congregational church officiating, funeral services will be held Friday at 2 p.m. from the home in San Mateo. Interment will follow in the Union Cemetery, Redwood City.

City Files Suit To Test Validity Of '1915' Bonds

Redwood City Tuesday asked the state supreme court to issue a writ of mandate to compel the city treasurer, B. E. Myers, to sign a \$425,000 bond issue passed to redeem outstanding bonds of assessment districts within the city limits, the United Press reported from San Francisco.

Myers has refused to sign, in a friendly action, claiming the bond issue violates both state and federal constitutions.

The purpose of his refusal to sign is to test the validity of the issue which has as its purpose the refunding of the 1915 act debt.

Menlo Park Sanitary District Enlarged

MENLO PARK, Feb. 12.—Voters in the Menlo Park Sanitary District and those in an area west of its present boundary voted for annexation of the latter here yesterday. Polling places were established in the Menlo Park Fire District house and in the home of Mrs. Genevieve Helfrich.

The new area is contiguous to and extends irregularly from Atherton avenue to San Francisco creek between Olive avenue to Altschul avenue.

George K. Rice Finds Wreckage Of Lost Plane

Capt. George Kenneth Rice, former Redwood City man and son of County Recorder T. Clark Rice, and First Officer Dana Boller on Monday found the wreckage of an army plane in which Lieut. John F. Helm disappeared December 29, the United Press reported from Los Angeles.

Lieutenant Helm was lost while flying from San Francisco to March Field. His plane was sighted near Big Bear in the San Bernardino mountains by Rice and Boller as they were bringing the Transcontinental Western Air transport ship Sky Chief in from New York to Los Angeles, TWA officials disclosed.

Arriving in Los Angeles, the two fliers returned to the scene in a smaller plane, flying low enough to identify the wreckage positively, TWA officials said.

Influenza Closes Two More Schools

Hillsborough and Ravenswood schools Tuesday joined the list of those closed in San Mateo county because of the current epidemic of colds and influenza, while Las Lomas near Atherton announced plans to reopen Wednesday morning, according to County Superintendent Pansy Jewett Abbott.

About a fourth of Hillsborough's 200 pupils were reported absent from school due to illness.

Other schools closed are Sequoia high school, Redwood City, Pigeon Point and San Carlos elementary, because of influenza, and Belmont, due to the measles. All plan on reopening next Monday.

Marshall Tells Value Of Military Highway

Value of the Ocean Shore highway as a military unit will lie in the ability to quickly dispatch mobile guns should the coast be attacked, County Engineer Urban S. Marshall told the Exchange Club Tuesday night in discussing the appeal for federal funds for this unit.

Marshall said that guns now guarding the San Francisco harbor could not be called into play

to protect the water supply in San Mateo county, which, he said, would be the first objective of an attack by an invading force.

It was the use of mobile guns when forts were silenced that led to the disastrous losses by the British on the Gallipoli peninsula, Marshall said. Fifty thousand troops were destroyed after making a landing.

Harvey Conner was chairman. Wilbur Dossie told the club of incidents in France during his World War service, and Jack Fox

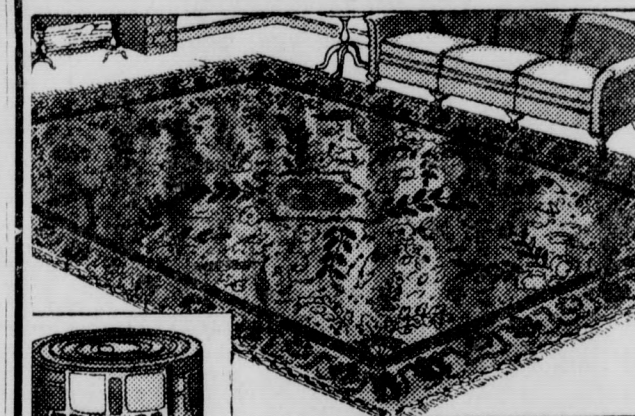

told of his new duties as construction manager for the bridge and structural department of the Columbia Steel Company.

BOND OBLIGATION SUIT

Suit to determine the Salada Beach Public Utility District's obligations in relation to 73 shares of \$100 bonds held by M. O. Anderson, a director, was filed in superior court late yesterday by the coastside district through Attorney Rudolph A. Rapsey of San Bruno.

George W. Hunt, Watchman Here, Dies Suddenly

George W. Hunt, for the past year a watchman at the Beeger Tannery, dropped dead Sunday morning at the completion of a night's work.

Mr. Hunt, who was born in Illinois 53 years ago but who had lived here for the past 13 years, had apparently started for his home at 150 Elm when stricken with a heart attack. His body was found by his daughter, Hazel, and son, Frank, who had gone to the tannery to accompany him home, shortly before 8 o'clock. It is believed he had been dead only a short time. He had collapsed just outside the tannery building.

Previous to working for the tannery, Mr. Hunt had been in charge of the water system at Emerald Lake for Leonard & Holt.

He was a member of Embarkadero Camp No. 256, Woodmen of the World, and of the Spanish-American War Veterans.

Besides the two children, Mr. Hunt is mourned by his wife, Mrs. Edna M. Hunt. His father, John Hunt of Sacramento, and a sister, Mrs. Lena Desmond of Auburn, also survive.

Here's Real Help In Avoiding Many Miserable Colds

Unique Medication Designed to Aid Nature's Defenses in Nose and Throat, Where Most Colds Start.

PROVED IN USE BY MILLIONS

In the exclusive formula of Vicks Vapo-rinol has been found a unique and successful aid in preventing many colds—winter's threat to our comfort and health.

Va-trinol is especially designed for the nose and upper throat—where most colds start. It aids and stimulates the functions provided by Nature—in the nose—to prevent colds, and to throw off head colds in the early stages. Used in time—at the first nasal irritation, sniffle, or sneeze—just a few drops up each nostril—Va-trinol helps to avoid many colds.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh) Va-trinol reduces swollen membranes—clears clogging mucus—brings comforting relief.

For Fewer and Shorter Colds Note to mothers—who guard the family's health: Vicks has developed, especially for you, a practical Plan for Better Home Control of Colds. This guide to fewer and shorter colds has been clinically tested by practicing physicians and further proved in everyday home use by millions. Full details of Vicks Plan in each Va-trinol package.

Over 53 Million Vicks Aids Used Yearly for Better Control of Colds

MILLIONS OF TREES PLANTED
REGINA, Sask. (UP) — Western Canada farmers have planted more than 145,000,000 trees around their farms during the last 35 years in their fight against drought, soil drifting and to beautify their land. They have been aided in the work by the government.

ANTIQUE GUNS COLLECTED
DOUGLAS, Wyo. (UP) — In the valuable collection of antique guns of W. A. Saul of Douglas, an old "blunderbuss" war weapon of the 1600's is probably the most interesting. Saul has been collecting firearms for about 40 years and has more than 400 guns in all.

FUNDS FOR COLMA, S. C. JOBS ARRIVE

**Tower for Fire Drill,
S.S.F. Creek Project
Are Approved**

Money has started flowing again into this district for WPA projects, according to Director William O. Eddy of San Jose, who announced Monday that he has on hand funds totaling \$164,664 for 11 projects in the four counties over which he has supervision.

Including among them is \$123,490 for the Colma Creek drainage project, to which will be added \$27,500 in budgeted county funds and \$2,500 in South San Francisco money. Start of work on the project will be made, it is expected, in the near future.

The other local projects are: Fire drill tower at San Carlos,

\$1,661; division of self help, San Mateo county, \$5,082; Santa Clara county school teachers survey, \$4,200; city of Santa Clara water works, \$810; clerical help in Palo Alto schools, \$27; clerical help Santa Clara county health department, \$1,440; landscaping Palo Alto school grounds, \$6,103; Hillsborough sanitary sewers, \$6,827; Watsonville recreation, \$12,171; library clerk in Gilroy school, \$240.

Civic League Urges New Duty for Clapp

The Civic League of San Mateo County Monday sent a request to County Executive Walter Kellogg and Purchasing Agent Stanley Kelly asking appointment of Eugene Clapp, business manager at the Community Hospital, as a deputy purchasing agent.

Clapp would be put in charge of purchases of drugs and medical supplies used at the hospital. The league believes substantial savings would be effected by the practice.

Health Investigation Planned in East S. M.

(Special to The Tribune)

SAN MATEO, Feb. 10.—Protests from the East Side Improvement Club that unsanitary conditions prevail in a number of homes in East San Mateo today led City Manager E. P. Wilsey to order an inspection of all residences between Mt. Diablo and Fifth avenues east of the railroad.

Dr. James Warburton, city health inspector, and Francis Myers, fire inspector will conduct the investigation, checking particularly on number of animals kept in homes, on rubbish accumulations, and in general on sanitary conditions.

Fire loss in 1935 for Beaumont, Tex., was placed at \$145 per capita, one of the lowest averages in the country.

Frogs and snails are considered an appetizing dish by Frenchmen.

GIANTS CARRY AWAY VAULT loaded it on a truck and hauled it away. The safe contained \$300 in cash and valuable jewelry, police carried away a 400-pound vault, said.

Wellington E. Orton Of Menlo Park Dies

Wellington E. Orton, who had lived in San Mateo county for a half century, died Sunday in the Palo Alto Hospital. Mr. Orton, who had lived alone on Santa Cruz avenue, Menlo Park, for the past several years, was 78 years of age. He was a native of New York.

Originally a farmer, Mr. Orton about 40 years ago engaged in lumbering, working at Mills near La Honda. He once drove ox teams hauling logs for the mills.

His son, John, a war veteran, died here four years ago.

Mr. Orton was a member of the Redwood City Lodge No. 168, Free and Accepted Masons, and of the Knights of Pythias.

Maine Town Manager Asks Position Here

One more application for the position of city manager of Redwood City, now being filled under a temporary appointment by City Engineer C. L. Dimmitt, was received by City Clerk B. E. Myers today.

It was from C. B. MacIninch, town manager of Baileyville, Maine, a city of 2,017 population in 1930.

MacIninch, who is 42, is a graduate of St. Stephen Business College, and attended Bowdoin College. He has been in office at Baileyville for the past two years, he states, during which time slight reductions in the tax rate have been made.

Fred Lagomarsino Of Colma Succumbs

(Special to The Tribune)
COLMA, Feb. 10.—Funeral services were being arranged today at the parlors of Valente, Marini, Porata & Co., 4840 Mission street, San Francisco, for Alfred ("Fred") Lagomarsino, husband of Amelia Lagomarsino and father of Myrtle, Ethel, Alfred Jr. and Shirley Mae Lagomarsino. He died here yesterday. Surviving relatives also include his mother, Mrs. Rose Lagomarsino.

Local People Seek Licenses in S. F.

Notices of intention to marry were filed in San Francisco Tuesday by Allen D. Bush, 39, of San Francisco, and Sevine A. Roussel, 26, Redwood City, and by Arthur L. Tank, 30, and Dorothy A. Schulze, 26, both of Redwood city.

Stealing of Flowers From Graves Charged

Facing petty theft charges, Miguel Terrazas, 55, and his wife, Helen, 38, of Dubose avenue, San Francisco, were in the county jail Monday accused of stealing flowers off graves in Holy Cross Cemetery. The pair were arrested by Sheriff James J. McGrath and Constable George Krehl at noon yesterday. The officers had lain in wait after William Bennett, San Francisco night chief of police, reported flowers he had been leaving on his son's grave had been mysteriously disappearing each week.

\$32,000 Property In San Mateo Sold

Sale of three large parcels of property, some of it improved, in San Mateo for a total of \$32,000 was revealed today with filing of deeds in the office of Recorder T. Clark Rice.

Thirteen lots were sold by the Aragon Company in the Aragon tract to Mr. and Mrs. W. J. Behan for \$14,000. They in turn sold one improved parcel at \$8000 to W. F. Barnes. Two improved lots in El Cerrito Park brought Mr. and Mrs. Harry C. Warren \$10,000. Mr. and Mrs. S. H. Faverman were buyers.

Bandit Trio Secures \$12 in S. M. Station

(Special to The Tribune)

SAN MATEO, Feb. 11—Three men held up a Standard Oil service station at Third and Bayshore highway here early this morning, but secured only \$12 in loot.

The hold-up occurred at 2:37 o'clock when Jerome Selz was the only attendant on duty. Three men drove up in a light colored sedan. One of the trio paid for gasoline with a \$20 bill, then covered the attendant with a revolver when he opened the till for change. Selz was forced out of the station while the robber scooped out the cash. The trio fled immediately.

Earlier in the evening, a South San Francisco garageman reported, the same type of a sedan had "acted suspiciously" in front of his garage. The driver answered Selz' description of one of the bandits, police said.

ADMITS LOCAL BURGLARY
James Farley, highway robber suspect held in Los Angeles, has admitted one house burglary in Redwood City, two in Burlingame, and many others in the bay district, according to word received here today by Sheriff J. J. McGrath.
